

**Presentation Focus Questions:**

Your presentation should focus on these questions.

Feel free to go beyond what is stated here, but limit your presentation to 5 minutes.

---

**antifreeze / coolant**

---

1. Why does a car need antifreeze / coolant?
2. What is antifreeze? What does the antifreeze's (ethylene glycol's) Lewis structure look like?
3. What health issues are related to the chemical in antifreeze?
4. How is the new, non-toxic, environmentally friendly antifreeze different? Does it work as well?

*For 10% of the grade, don't forget to link this presentation to something we've learned in this water & solutions packet*
