

Presentation Focus Questions:

Your presentation should focus on these questions.

Feel free to go beyond what is stated here, but limit your presentation to 5 minutes.

water softeners

1. What is in a water softener which makes it work?
2. Who needs to have a water softener? What are the benefits?
3. What is the difference between hard water and soft water?
4. How does soft water change the effectiveness of soap?
5. How do "chemical-free" softeners work? (hint- they're usually just scams-products)

For 10% of the grade, don't forget to link your presentation to something in this "water & solutions" packet
